Local art authority Terese Reyes, who launched her art gallery Reyes Projects in Birmingham in early 2017, is partnering with native Detroit Bridget Finn to create a newly re-branded, 4,600-square-foot gallery in downtown Detroit called Reyes Finn. Both women recently spent time in New York working at separate prestigious art galleries. Introducing a fresh, new concept in art and art galleries to Metro Detroit art lovers, the new space features a 24-foot ceiling, 10-foot windows and crown plaster moldings. Reyes Finn will open March 15 with a group exhibition by artists Eddie Martinez, Gerasimos Floratos, and Rafael Delacruz.
