Art Basel Miami Beach 2017: The Good, the Bad and the Biggest Sales

By [Alina Cohen](#) • 12/11/17 11:20am

... A Thursday evening reception for Detroit gallery Reyes Projects, at a local collector's home, offered a refreshingly unpretentious environment with coleslaw, fried macarons and ceramics by art collective Hamtramck Ceramck adorning a large ping pong table in the center of the living area. Out on the patio, a real estate broker bummed a cigarette from a Detroit artist and poked fun at a journalist who asked about his "Basel." "How's your Basel? How's your Basel?" he mimicked. Any vestiges of the eponymous staid Swiss city evaporated into the humid evening.
